## Announcing Our New Chief Dental Officer **Dr. Cherag Sarkari**

Dr. Sarkari has been with Liberty since 2020 and brings 27 years of experience to our team as a provider, academic, administrator, and C-suite leader. For the past year as interim CDO, he has demonstrated his clinical knowledge, business savvy, and commitment to our mission. It is an honor to have him step into this role more permanently.

As CDO, Dr. Sarkari will continue to oversee clinical policies, governing the delivery of services, quality improvement activities, and clinical innovations. We are excited to see him increase his influence as a leading voice for oral healthcare in the communities we serve.

**// Value Based Care  
that rewards our  
providers for positive  
outcomes is the way  
of the future! //**

# Quarterly Directory Validation Reminder

Liberty's online directory validation tool allows for easy verification of the office information we have on file for your organization.

Once this quarter's verification is completed, we recommend setting a calendar reminder in your system for every **90 days**. You may validate your directory information through the same link above using your standard office access code every quarter. Please note the law requires we receive an affirmative response from your office. Failure to verify the accuracy of your information requires Liberty to remove you from our provider directory and may result in a delay of payment or reimbursement of claims based on your state's requirements.

Please note the law requires we receive an affirmative response from your office. Failure to verify the accuracy of your information requires Liberty to remove you from our provider directory and may result in a delay of payment or reimbursement of claims based on your State's requirements.

If you need assistance, call us at **888.352.7924** Monday - Friday 8 a.m. - 5 p.m. PST. We will gladly assist with the quarterly validation of your office's directory information.

Our Provider Portal makes it easy to submit the necessary documentation for review. If you do not have a portal account, go to **www.libertydentalplan.com** and select **Login** on the top right of the screen. Choose **Dental Office** to register a new account.

## Stay Updated on Plan Changes

We encourage all contracted providers to routinely check for updates related to the plans you participate in. Recent changes to plans may include certain plan benefits and preauthorization requirements, which can impact how services are approved and delivered.

1. Review the latest plan documents
2. Check preauthorization requirements before delivering services
3. Use the provider portal to access this information at any time
